2018 Mid-Autumn Celebration

## CGA Mid Autumn Festival Celebrations

23 September 2018

We were very happy to welcome a large part of the parent community to CGA this week for our special Mid-Autumn Celebration assembly. This included excellent performances from students from all year groups in the school including dancing, drama and poetry. Well done to all of our talented and confident children who were able to put on such a great show for us all.

### OUR MISSION

To inspire, support, and nurture our multi-cultural students to receive a creative education and develop them to be global citizens.
